At a meeting of the Central Executive Committee of the Democratic party of Anderson County, held on Monday, 11th day of September, the following resolutions were adopted to govern the conduct of the primary election on the 19th of October. The Democratic Clubs will hold the said election in accordance with these resolutions, without further instructions.

JAMES A. HOYT, County Chairman.

Resolved. Resolved, That any person, a member of a Democratic Club, who, from sickness, or otherwise, cannot attend the polls, shall have the right to vote by proxy-the vote deposited to be under seal.

THE COUNTY REPUBLICAN CONVENTION. This body met in the Court House on last Saturday, and was one of the most disorderly meetings of the kind ever had in this County. There was a strife for positions on the different delegations, and in their strife the members accused each other of working for the Democrats, of stealing school money, and of lying. Senator Cochran made some of his shrewd little speeches, intended to tickle the ear of the Democrats, but which, though apparently conservative, had no germ of sincerity in them, according to our interpretation. He offered resolutions endorsing Chamberlain for Governor, and Capt. A. Blythe for Solicitor, each of which were unanimously adopted. Mr. Cochran was recommended as County Chairman, and the following delegates were elected: State Convention-J. R. Cochran, Henry

Kennedy and W. R. Parker. Congressional Convention-J. E. Asbury, Miller Washington and Emory Arnold. Judical Convention-John Diggs, J. B.

Peyton and F. S. Morris. A resolution was then offered inviting all honest members of the press to seats on the floor of the Convention, but after examining into the matter the Convention very wisely came to the conclusion that it could not find a leader who knew enough about honesty to act as judge under this resolution, and therewhether honest or not, was good enough to be invited to a seat with the Convention. After the steam and discontent which was engendered had time to be let out pretty freely, the Convention adjourned.

THE HOWEA PATH MASS MEETING. Every Democrat in the County should

endeavor to attend the mass meeting at Honea Path on next Wednesday, the 20th inst. It will be the last opportunity of hearing Hampton, Simpson and others of the Democratic nominees, as they begin the canvass of the lower and middle cour ies after that date. Our friends of the Hones Path Club have made extensive preparations for the meeting, and all who attend will undoubtedly feel amply repaid for their visit An effort is being made to secure round trip tickets over the railroad for one fair. If it proves successful, the information will be given through the Presidents of Democratic Clubs, the railroad agents and postmasters. Let us all turn out on the 20th and make another grand rally within the borders of Anderson County.

We have given liberal credits the present, as well as past years, and the time for collecting our Money has about arrived, as we are not going to wait much longer before sueing, and trying what virtue there is in law, as much as we hate to do so. We earnestly call upon all, and no person is left out who owes us a cent for Merchandize or Guano for the present or past years, that they must pay us up out of their first gathering of Cotton this fall, and if no Cotton, WE WILL TAKE THE MONEY! Times are hard, we admit, but we cannot help it. We have to pay our own debts promitly, and it is reasonable that we should expect pay from others. The longer you let your debts stand over the harder they are to pay.
